Ashley moved in down the street about a year ago. We see each other around; the supermarket, the park, and even at the gym. That's where I realized what a little fox she was.

Ashley & Magdalene

As for me, my husband died six years ago, and swearing never to be with another man, I've taken to women. And lucky for me, Ashley has taken to me.

When I first met Magdalene, I just moved into the area. She was so sweet in showing me around and being there when I needed something. She was also there when I needed her. She's such a considerate lover and I love how she licks my pussy. And she likes it when I do her's, too.

It's 5:25 in the afternoon and I'm running late for my rendezvous. I really hope the director will wait for me. I called and told him I was only a few minutes away. When I got there and saw this beautiful stud with a huge fat cock, I wanted to make sure his wait was worth it.

June

Immediately I got on my knees and started on his cock. It was huge and thick and solid as a rock, and that's just not an expression. Must be the iron in his blood.

Did you see the size of that cock. It had me biting my lip, and I don't think I could ever take it all in. But I persevered and finally milked it for all he was worth. I'm glad he spewed on my boobs because it would have been too much cum to swallow. Maybe next time, big guy.

I was pretty depressed last week, I hadn't been laid in almost three months, which is a long time for me. When I decided that it was time, I went out to the lingerie store and bought this sexy lacy white outfit. Not that it would stay on for very long, but it makes a good impression. Then it was time to get my face and body ready.

Kayla

Long hot shower, shave my under-arms, legs and pussy mound. Yes, I like being bare down there. And spend a little extra time to be sure my booty is inviting. And it is.

Okay Mark, let's do it. Bring me your cock and let me suck it until you can't take it anymore. Then you can warm me up some more by licking my wet pussy. Doesn't it look nice? Doesn't it feel nice? Doesn't it smell nice? And finally, shove, and I mean shove that thing into my ass. I've been an anal virgin for a few months now so I know it's going to feel good!

Dear editor,

For the past couple years I've been having an affair with a beautiful thirty-year-old named Melissa. I take the train from San Francisco to Berkeley and she meets me at the BART station. Melissa makes herself available for me whenever I come over. I treat her well, nice clothes, nice dinners, nice apartment. Yes, I pay for just about everything for her. I am not married and have a bunch of money so we have come to this arrangement and it works well for both of us.

"Hi" she said, "I'm glad you made it." I smile and simply say "Okay, let's do it." In order to keep things really fresh and exciting, I ask that we go somewhere new each time. Today, it's a new nightclub near Oakland. She's procured tickets for a private room with servants and champagne. I don't ask how she got it, just if it will be the two of us.

We make it to the club around midnight. There's music and sexy dancers in cages and lots of pretty people in different stages of drunkenness and undress. We watched for a while through the big plate

Dear 50+,

Here's a note that I hope you would find it in your corporate hearts to forward this to Tabitha.

Tabitha, I think I'm in love. I have this thing for blondes with great smiles and big boobs. You have to be one of the hottest chicks on the planet. Keep all those other blondes away from me because I have found the one. You have perfect hair, perfect lips, perfect blue eyes, perfect skin and a perfect pussy. But wait, you say, don't I have a perfect ass, too? Yes, yes you do. A perfect ass that screams to be fucked by my cock. Offer it to me and I will take it.

Tabitha, you're just the right combination of everything a perfect woman should be. Totally

glass window that is a one way mirror. We ordered a couple bottles of bubble and sat back to enjoy each other. We both knew what we wanted as I pulled Melissa towards me. She melted in my arms. I started to kiss her and she willingly responded to me walking me backwards toward the couch. It had been more than six months since my last trip. Longer than most other times.

We fell back onto it and both got undressed like over-cager teenagers going at it for the first time. Very soon we were both naked. Melissa's nipples were as hard as bullets and her pussy was flowing with her wetness. Never had she felt so warm or so wet. My cock was rock hard in anticipation. I started to kiss her nipples and began biting on one then the other, chewing them lightly between my teeth. Melissa threw her head back and groaned in ecstasy. Running my tongue gently over her stomach, she opened her legs as far as she could, allowing me access to her fully aroused clit. I gently nibbled it between my teeth and Melissa came almost immediately. In a muffled voice I heard her demand

that I lick her pussy. I duly obliged and snaked my tongue inside the folds of her labia and then deep into her pussy.

As I was licking her I maneuvered my body so we were in the 69 position with my cock only inches away from her mouth. She eagerly took it and started sucking, taking it deep inside her mouth, fondling my balls as she took as much of it as she possibly could.

We were both nearing climax, and as I licked hard on her pussy, Melissa sucked even harder on my cock. Our timing was perfect as she hit her orgasm, I shot a huge load of cum deep into her mouth and she hungrily swallowed every last drop licking the tip clean.

We changed positions and I laid her onto the sofa. Her legs were wide open and her cunt was glistening. I buried my cock into her right to the hilt and could feel my balls banging against her ass. We kissed deeply as we fucked.

Man, how we needed this as she found herself meeting my every thrust until finally I came again shooting a huge load deep inside of her. She came again as well. I was good night, and the music played on.

Dear editor,

My wife Tracey is a most wonderful woman, and I don't want to let her go. We needed some quality time together to rekindle our love and, hopefully, some of the sex that had been lacking over the years. We decided to go to South Beach and live it up a little, hoping the excitement and all the things to do there would give us opportunities to be together.

We arrived at our hotel, unpacked and decided to get something to eat. While we were on the way to the restaurant, we passed a few strip bars and started commenting on how it's been since college that we had gone to one. We decided to stop for a drink into one of the big glamorous clubs that are all over the Miami Beach area.

The place was about half full as we were escorted to

a booth towards the back and ordered our drinks. There was a tall pretty girl on stage seemingly just going through the motions. She had large enhanced boobs with a cute body. Tracey and I checked out the dimly lit space as the girl went through her pole dance routine. After our drinks came, one of the dancers came over and introduced herself to us as Crystal. She was about twenty years old, barely wearing a gold lamé bikini and five inch stilettos.

To our amazement, she came right out and asked Tracey if she wanted a lap dance. We excused ourselves and asked her to come back later. We discussed her offer and Tracey was intrigued by the possibilities. Another round of drinks was all it took to get her to agree to have Crystal do a sexy lap dance; but soon it became more than a dance. Crystal finished her turn on the main stage

and we asked our waitress if Crystal could come over to our table. Crystal saunters over, smiling and blowing kisses to some of the other patrons on her way. We thank her for coming and she starts to lap dance on Tracey. She takes off her top and rubs her breasts, pinching her nipples and moving them to within inches of Tracey's face while she looked at me. She took off her bikini bottom, leaving herself in a tiny gold g-string. Then she leaned over and whispered something into my wife's ear and Tracey slinked down and pulled her panties off under her skirt.

Then she undid a couple buttons on her blouse and released her boobs from their confinement. I just observed what was going on and kept my mouth shut. Crystal motioned over to the bartender and then the lights dimmed in the back area with the booths. Our table was only

lit by a large red candle and the ambient light in the club. As my eyes adjusted, I noticed that Tracey and Crystal had begun

huge. I put my hand between Crystal's legs and slid my fingers up into her soaked pussy. I pressed my cock head against slit, and

themselves. The candlelight flicked and soon died ending our little show in darkness.

Tracey and I didn't hit the

times a bit too aggressive.

She has sucked me for hours until I thought the skin on my cockhead was coming off. We screw in every position imaginable, but here's the thing: she wants anal sex! And I've never done it. She says it makes her cum more intensely. She says she's learned that couples who do it have a more positive relationship than those that are more uptight.

She tells me that when her anus is stimulated, it has its own singular sensations. While they are sexual and pleasurable, they are often more intense because that area will not be stimulated as often as the vaginal area. She says when she orgasms anally, she enjoys it immensely. I guess I'm ready to try it with her, but I just needed to vent a little since this is a subject you just can't talk to anyone about. I probably won't send this letter if I don't do it with her. But then again I might send it if I do. Then I can tell you what it was like.

Andrew M.

to suck on each other's beautiful tits.

Crystal got down on her knees and started licking Tracey's clit, then snaked her tongue into her gash. She slid a finger in my wife's pussy and pumped it in and out while wiggling the tip of her tongue against Tracey's clit. She plunged it deep into Tracey's cunt, causing Tracey to shudder with an orgasm that left her hanging onto the tabletop.

Crystal rose up and sauntered over to where I was sitting and gave me a sloppy kiss that made sure that I sopped all of Tracey's sweet juices off her hot tongue. She straddled me and ground her pussy against my crotch. My cock was filling with blood again, and was soon

in a brief moment I was inside. With a squeal, she pumped up and down on me for a few moments as Tracey knelt on the floor behind her so she could lick her sweaty ass cheeks as I boned her. Crystal laid back on me, and Tracey put her mouth between the dancer's legs. I could see my wife licking Crystal's cunt as I fucked her.

Her tongue was wet against my cock as it slid in and out of Crystal's dripping snatch. She climaxed with a muffled scream. Just as I was about to cum, I pulled my cock out of Crystal's pussy and stuck it into Tracey's mouth. It was a good thing too, because I was spewing as my cock came out of Crystal's pussy. She took her fingers and swirled up the cum and began to lick it off

road for a few more days, never leaving the hotel, except for the day we spent at Crystal's place. Furthermore our erotic three-way affair with Crystal 'saved' our relationship. I'm happy to say that Tracey and I are now happily married ever after.

Tomas M.

Dear editor,

I turned fifty-two a couple months ago and discovered my wife was cheating on me. I dropped her as fast as I could and since have found this wonderfully weird lady on my rebound. My ex was very conservative and we fucked mostly in the missionary position. She rarely went down on me and even more rarely let me go down on her. My new lady, however, is very experienced and some-

I think my sex drive has developed more strongly over the years. I was shy and awkward in college and even for years after that. Then I met some taller guys (I'm almost six foot) and that made me feel better, then in my forties I fixed my boobs and I was off and fucking.

Mandy

I then got even more adventurous and experimented with women, and orgies and stuff like that. But all in all, I think I like three-ways the best.

That was fun.
I find now that it's
so much more fun
with two guys. Being
so sexual, I need a
cock in my mouth and
one in my pussy. The
guys also seem to like
fucking more. I don't
know if they're trying
to outdo each other or
it's just a macho thing.

as enthusiastically as
when it was with two.

I'm doing this because I love sex, and because I love the camera. Put the two together and it's such a turn on for me. I especially love sucking cock. It's tasty and it's a lot of fun. But mostly I know the guy likes it. And if he likes it, he's most likely to like doing it to me, too. And I like that.

Kaylani

By the way, did I mention that I like cum, too. I like seeing it cum out of the head of the guy's cock. Then shoot across my chest or into my mouth. Then I'll swirl it around and get all the taste of it that I can. I admit, it took a time or two to get used to the texture, but now, I play with it with my tongue and I like it. See!

MY FRIEND BRAD IS QUITE A HITTER, EVEN AT HIS AGE

I'm on my way to visit an old friend in Jacksonville. It will be a long drive from St. Louis but I'm ready for it and ready for a few days of sunshine and R & R. I've worked hard all winter and now it's time to blow off some steam. Bradley is married to Krista. They have a small accounting firm and have finished up for the tax season rush, so my timing is perfect. I've known Brad for almost 30 years. We worked together at a major accounting firm right out of college and have stayed friends ever since then.

Krista is wife number three for him and is the jewelry department manager at one of the big department stores at the Avenue Mall. I'm glad to see that two people from such different backgrounds can get together. As for me, I've had only one wife but been single for almost ten years now. From what he tells me, they have a pretty good sex life. Brad is really well hung (or at least he was). Krista is some fifteen years younger so she stills have a great figure. And from what I hear, her favorite position is doggy-style. So this being the case, I have many hours on the road to think and visualize that.

From what they tell me Krista's best friend is Marie who used to work with her but got transferred to the same store at another mall. Now they have a friendship and a competition. I only bring her up because Brad told me she would be visiting on Sunday, they only day that the two ladies can get together. I told him that was fine by me as long as they weren't setting me up on a date. He reassured me they weren't.

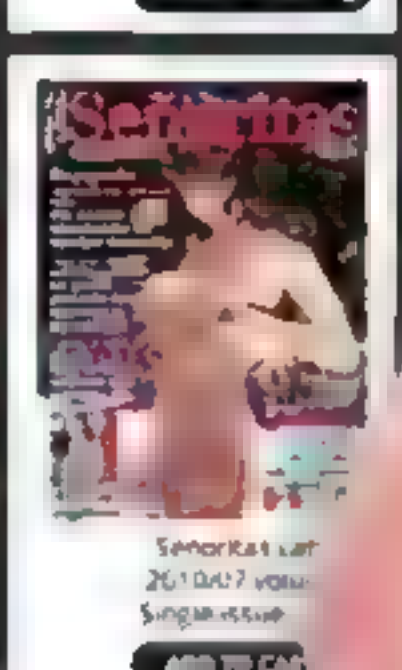

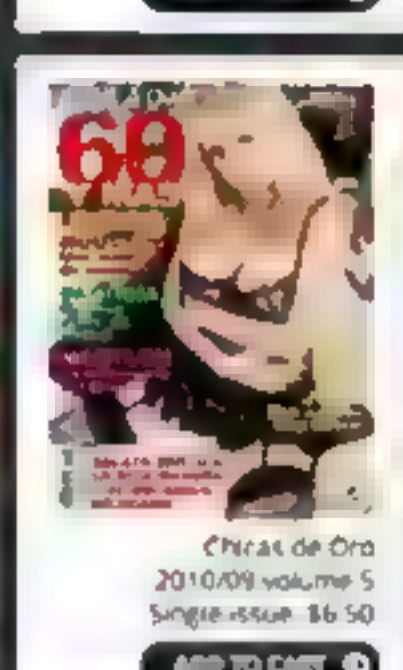

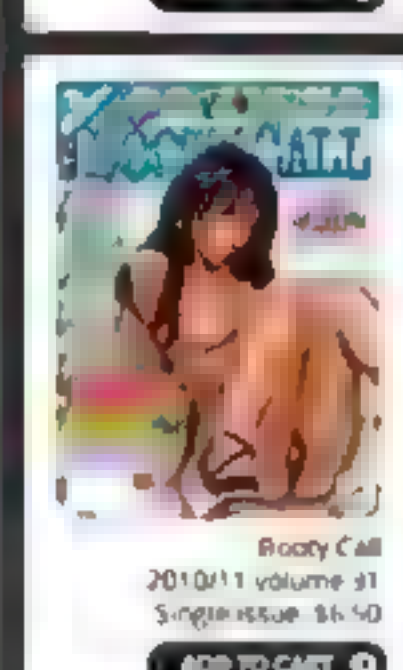

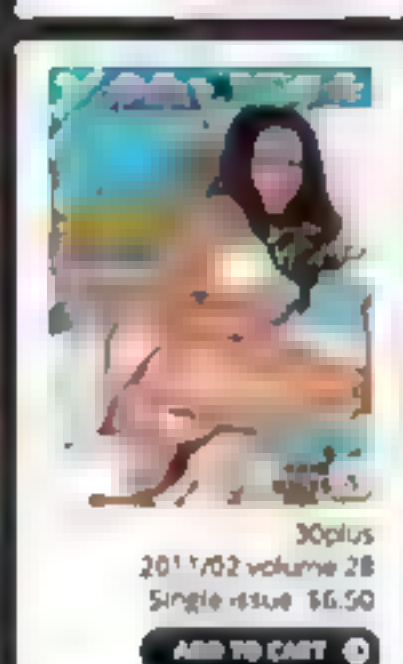

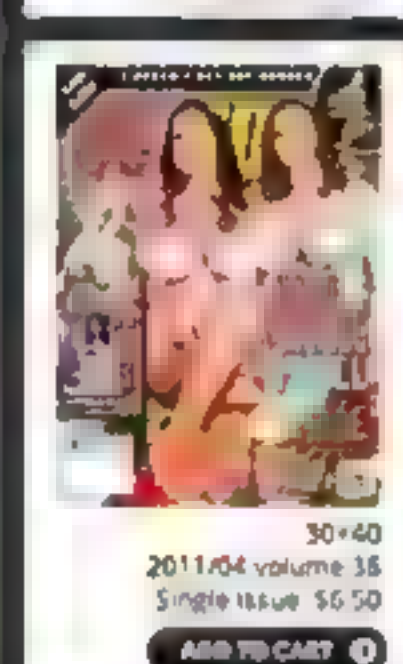

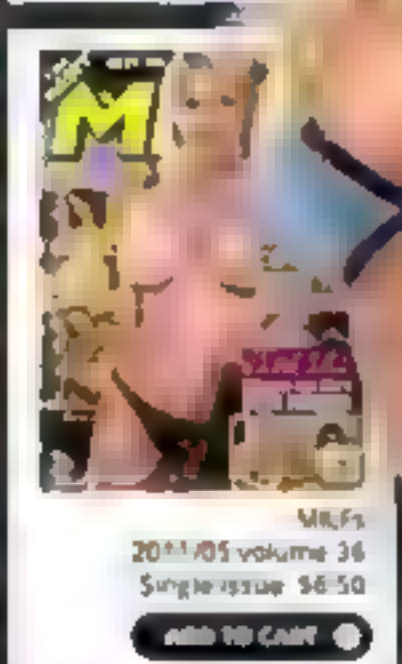

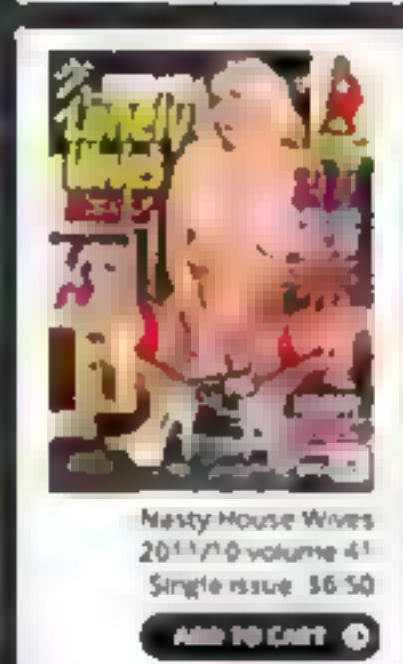

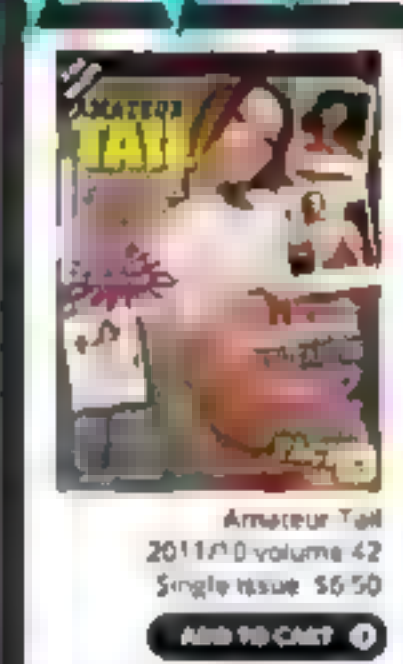

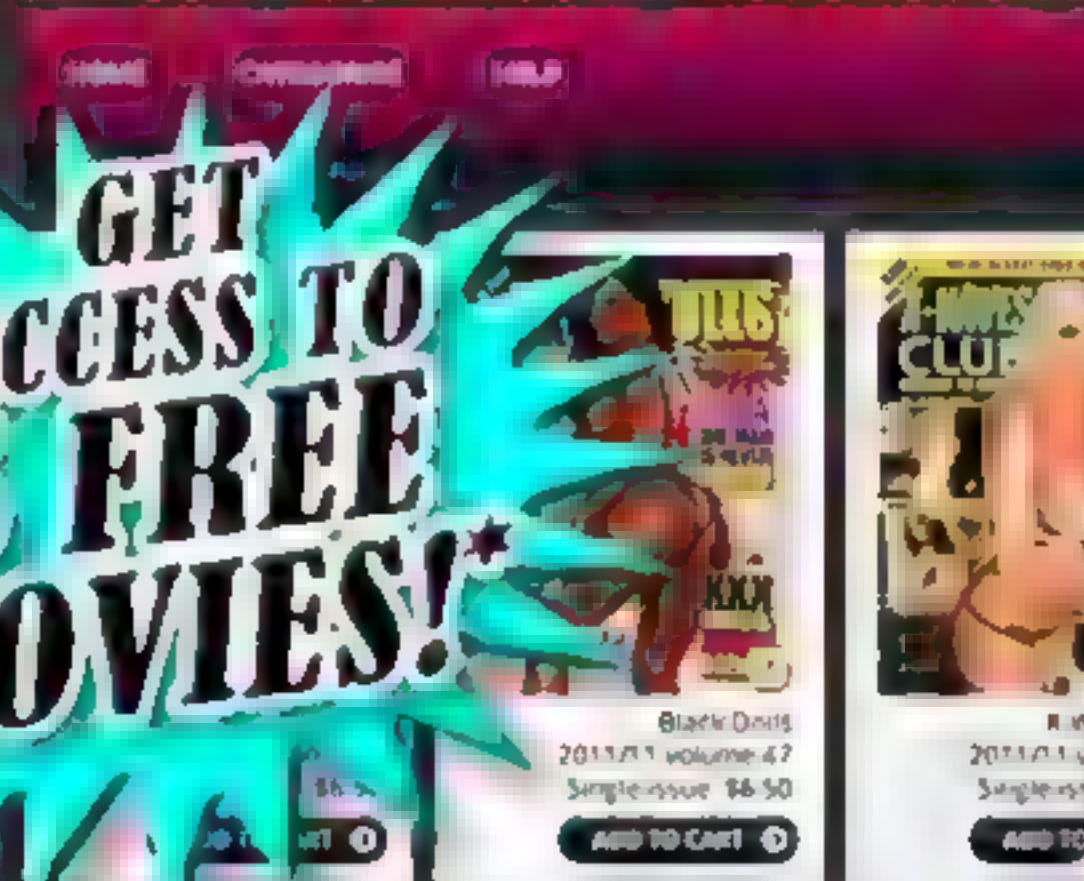

When I get there Sunday morning I greet Brad and the two ladies. We settle into the kitchen where I'm offered a large cup of coffee after my drive. I accept and watch Marie's lips as she talks,

noticing the slight overbite of her teeth. Gives her a bit of a bossy air. She's blonde and a bit shorter than Krista, probably about the same age and nice full breasts, not that I was looking. Krista makes sure we all have something for breakfast. Table talk ranges from deep sea fishing to discussing the merits of sequined tops. The two ladies leave the kitchen and Brad and I clean up the kitchen. He tells me little quips about the two women and their ongoing relationship. I'm intrigued.

He starts to feel faint as his wife finds Marie's lips and pushes her tongue into her friend's mouth.

Marie? Apparently she's not getting enough. She seems always horny but then she always is when Brad is around. She has always fancied Brad. Remembers once, when they were embracing for a farewell kiss, feeling his erection push briefly against her thigh. She wonders about Krista. That would surely be the end of any friendship, wouldn't it? Unless... Someone had once asked her would she ever consider another woman. She had answered no but had thought about it later and... well maybe,

perhaps, if the woman were soft and cuddly, if she liked the woman, if... if the woman was like Krista. And if Krista was willing and...

Brad tells me of his fascination with Marie. They constantly flirt when she is over or on the phone. One day, maybe today – he tells me – he'll get into her pants. He thinks Krista will go for it, too. And me? Then why am I there? So. Brad and I decide to hit the links for the afternoon and we tell the ladies we'll be back around 5. Krista says great, they'll have dinner ready. We thank them and head off to his country club.

Fast forward to dinner. Krista and Marie made a nice, light dinner of Asian salads for all of us. Being a meat eater from the middle of the Midwest, I politely ate mine and drank plenty of wine to fill my belly. We retired to the living room and immediately saw the ladies were getting frisky. For Marie, she positioned herself in an overstuffed chair letting her legs open a little, pushing her knees slightly apart and fanning herself with a magazine. 'Is it

me or is it hot in here?' She asks. 'It's you, sweetie,' says Krista, 'that jersey is too warm. Company won't mind, will you? Take it off.' Marie lifts the hem of the jersey over her head to reveal her well filled bra to Brad's wondering gaze. 'Wrong about the slip,' she says and blushes at her apparent bra-

zenness. In reality nobody says a word. Brad is literally speechless. Now Krista reaches behind herself, unclips the bra and advances on Marie. She touches her taut brown nipples to Marie's, now taut, pink ones. The

sensation is fabulous. Electric. Marie closes her eyes. Krista closes her eyes. Brad opens his wider. He gulps in the scene, watches as their soft breasts seem to meld together. The two women embrace. He starts to feel faint as his wife finds Marie's lips and pushes her tongue into her friend's mouth. She can taste the lipstick, feel the warmth and strength of her tongue as it searches her own mouth.

Brad places his hands each side of Marie's body feeling her soft warm skin. He undoes the clasp at the side of her trousers and pulls them down. He kneels down and runs his hands up her thighs then pushes her trousers and shoes off. He kisses her butt through her undies and senses the movement as she opens her legs going up on tiptoe to push against Krista. He runs his fingers up the inside of her leg then presses into her hot crotch. She works her hips, relishing the feeling of his fingers and the warm push of Krista's mound.

Krista lays her friend down on the rug. The coffee table is pushed aside. Krista pulls the blonde's

HOT GIRL-ON-GIRL ACTION

Brad rolls over onto his back, his cock shining with Marie's juice. Krista straddles him and slides her smooth cunt down it's slippery length.

panties down and kisses her belly as Marie opens her legs. Her pussy is swollen and ready. Krista looks up at her husband. "Take her. Take her now." Brad drops his pants and his cock snaps up against his stomach. Krista pulls a cushion from the sofa and pushes it under Marie's hips. She leans down and kisses her friend's hot, wet pussy, then guides her husband's

cock, wet from her mouth into Marie's pussy and watches as the tip slips gently up between the swollen labia. Marie gasps and pulls him in. Krista watches slipping her skirt and pants down. She lays back on the sofa and finds

her clitoris. The thrills surge through her body as her friend urges up onto the big cock.

Krista looks at me sitting at the end of her sofa. I am looking at the scene on the floor when I catch her gaze. She licks a couple fingers and inserts them into her pussy, turning her hips so I get a better view. She feels she could come just right now but she wants to experience more. She kneels down beside them, her tits brushing their thrusting bodies and cups her husband's balls. They are hot and heavy, full of come. She moves up to fondle her friend's softly moving breasts. She puts her finger into Marie's mouth and then into her own. Marie opens her eyes and gazes at Krista almost in a trance as she feels the full size of this man's cock. It is so stiff, so hot, so hungry. She parts her lips for Krista's tongue and sucks it into her hungry mouth. She pushes her hand down and finds the smooth mound, the full labia, the wet clitoris. Krista fucks against her fingers.

Brad rolls over onto his back, his cock shining with Marie's juice. Krista straddles him and slides her smooth cunt down it's slippery length. Marie watches Krista's boobs bounce, sees her head thrown back, her hands behind her grasping her husband's strong hard thighs. Krista kneels up and inches her way to straddle his mouth. His tongue

does not hesitate and pushes into her juiciness. She fingers herself then leans forward and fingers her friend. Krista now comes. She shouts and growls and she groans. Her cunt rubs on her husband's cock and rubs against Marie's questing finger.

She comes again. Brad holds back. He wants more. I'm stroking myself in my pants as I watch.

Krista climbs off and Marie leans down to take his wet cock in her mouth tasting Krista's juice and feeling the hard throb as he urges it in. Krista slides her lips right down his cock. Again she kneels beside them and again cups his heavy balls in her hand. She feels them jerk as he shoots into Marie's mouth. She sucks hard then, lifts her head and Frenches the cum into Krista's eager mouth. I watched the closing scenes of this session with great satisfaction as both Krista and Brad took turns to lick the Marie into spasms of passion. He got hard again and took her while Krista came over and replaced my hand with hers. We leaned back on the sofa and watched the two left on the floor. By three o'clock in the morning we were all exhausted and the coffee had long since grown cold. We all bunked down in their big king-size bed and awoke the next morning to do it all again.

We all know that a dildo or vibrator is just a cock substitute, but when one isn't around, what's a poor girl to do. We'll wager that every lady has some sort of toy around, just like every guy watches porn. It's not wrong or bad, it's just a part of life.

I've come to America to fuck some American men. My girlfriend was here and she was happy with their fucking, she told me. She thought American men much more horny than European men, and like more sex.
